Examiner
Art Unit: 2837

Allowable Subject Matter

1. Claims 1-4 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not disclose the specific elements, functions, and physical interconnections of the foot pedal connector as disclosed by the applicant for example: the foot pedals and base plates attached to the foot pedals for a bass drum and a cymbal; a connecting tool which connects the first base plate and the second base plate to each other; a fixing tool which fixes the first base plate and the second base plate whereby the fixing tool is provided with a first fixing portion fixed to the first base plate; a second portion fixed to the second base plate and a fastening position which fastens the first fixing portion and the second fixing portion; in conjunction with a hinge that serves as the connecting tool attached to the first and second base plate and the first and second fixing portions are connected and fixed to each other by a fastening portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Sikra et al and Lombardi disclose foot pedal connectors.
